Thank
You

Thank you for the movie
"Twist of Faith" premiered
on February 9 as part of
Black History Month. What an
inspirational, lovely and funny
family movie. The cast was
well-chosen and the music was
amazing and creative (can't
wait until the soundtrack is
available). I haven't been this
excited about watching a movie -
which has been a million, a trillion
times - since the Love Comes Softly
mini-series televised on Hallmark
Movie Channel. Life is too short.
People die tragically, unexpectedly,

young and old. The movie
beautifully shows how the
goodness of GOD is always
working to heal the broken-hearted.
And GOD was doing just that
when Jacob and Nina came
together. Absolutely fantastic!

I look forward to the next chapter
of this television movie (or hoping
Lighthouse Pictures and the
writers are considering a sequel).
How do these two families come
together? How their love for each
other grows with GOD at the
center? Does Jacob convert or
do the two of them use their
differences in interfaith to strengthen
the family? Again, thank you for
the movie "Twist of Faith".

Many Blessings,
Kelli
